Applications are invited from the Qualified experienced Senior Technical Program Managers and Health Analytics Specialists who are willing to work on Contract basis under the direct supervision of the Commissioner of Health & Family Welfare and Mission Director in the O/o CHFW, APIIC Building, Mangalagiri, Andhra Pradesh for establishment of Virtual Project Management Unit (VPMU).

Virtual Project Management Unit (VPMU) represents an innovative and transformative approach to address the public health challenges of Andhra Pradesh. Designed to complement the efforts of the Department of Health, Medical, and Family Welfare under the "Swarna Andhra 2047" vision, the VPMU will provide a flexible and cost-effective mechanism to bridge gaps in expertise and accelerate progress toward key health outcomes. By leveraging cutting-edge technologies like Artificial Intelligence (AI), Machine Learning (ML), and Geospatial Analysis, and by connecting the health department with a global network of skilled professionals, the VPMU will enable data-driven planning, real-time decision-making, and evidence-based interventions.

The team will work collaboratively under the direct supervision of the Commissioner of Health & Family Welfare and Mission Director, NHM or designated State Nodal Officer nominated by NHM to streamline health data systems, strengthen policy implementation, and enhance the state's public health response capabilities. This team will be responsible for operating the Virtual PMU and adhering to the protocols as per the operation manual.

1.Senior Technical Program Manager:

No of Positions: 1 (ONE)

Location: O/o Commissioner of Health & FW and MD,NHM,Mangalagiri
